### At the Bazaar.

The attendance Wednesday evening at  
the Robert Emmet bazaar in the Hoosac  
bank building was large and the bazaar  
was quite successful in their work.

ing program for this evening: Fancy club  
swinging, Miss Agnes Neary; song, Thom-  
as Crofts; violin and piano duo, Misses  
Theresa and Ellen Mansfield; banjo se-

### Must Know in Advance.

The members of the Girls' Friendly so-  
ciety and the ladies of St. John's parish  
who expect to go on the ride to Adams  
next Monday evening are requested to  
hand in their names at the rectory before  
Saturday, and also to state whether it is 6  
or 7 o'clock will be their most convenient  
hour of leaving.

### LINE.

There has been just about enough snow  
so far to suit the people, and if the snow  
had not drifted we might have termed it  
a good old fashioned winter.  
B. D. Barnes went to Ashfield last week  
Friday to attend his mother's funeral.

Some think the electric railroad com-  
pany made a mistake in not applying for  
a charter for their road to the state line.  
Besides making business for the road the  
towns of Colrain, Halifax and Whitman-  
ham would be benefited thereby if the  
road was extended to the state line.  
L. J. Fowler, J. Fowler and C. Pease  
have been drawing logs from D. Barnes' woods to Adamsville.

One of H. Bowen's cows ate 50 pounds  
of meal and died from the effects.

### ZOAR.

Mrs. Clara Nagus has gone to Athol to  
visit her daughter.  
Ernest Todd came home Saturday for a  
short vacation before he begins his new  
work.

Clyde Young saved his hand slightly in  
his uncle's mill in Whittingham and is at  
home for a few days.  
Charlie Manning has been very sick  
again.

Woodmen are having a vacation as Fol-  
let Bros. sent word last Wednesday that  
they didn't want any more wood shipped  
at present.

The steam mill is on its way and propa-  
tions are being made to begin work this  
week.  
George Manning came near losing a  
valuable horse last week but good care  
brought him out all right.

Mr. and Mrs. George Barker went to  
North Adams Saturday for a visit of a few  
days.  
We had some sap days last week.  
E. French has recently purchased a pair  
of oxen.

### AT ADAMS TODAY

COLLIDED WITH A TRAIN.

Occupants of the Sleigh Escape Serious  
Injury. No Guits Provided.

Another bad accident occurred at the  
Park street crossing about 4:30 o'clock  
Wednesday afternoon, when a horse  
owned by John A. O'Brien collided with  
a freight train. Mr. O'Brien, with his  
wife, was driving down Center street at a  
rapid pace. Mr. O'Brien claims the horse  
was running away. As they reached the  
bridge Mrs. O'Brien jumped from the sleigh.  
The horse unable to stop, turned  
toward the freight train and struck  
against one of the cars of a passing freight  
train, which had just started south. Mr.  
O'Brien clung to the reins and was  
brought out of the sleigh. The horse fell  
on him and it was with difficulty that the  
driver extricated himself. The animal's  
nose was broken and the left thigh of the  
cutter was broken off in the horse's  
breast. Sheriff O'Brien shot the animal.  
Mr. and Mrs. O'Brien escaped uninjured  
though badly shaken up. There are no  
guits at this crossing, which is the place  
where Ralph Martin was killed and where  
other bad accidents have occurred.

### The Annual Alert Ball.

The 21st annual Alert ball will be held  
in Armory hall Friday evening and in-  
dications are that it will eclipse all former  
events. The firemen are sparing nothing  
that will tend to make it an evening of  
pleasure and enjoyment for all. Their  
annual ball has always been recognized  
as one of the leading events of the year  
and the efforts of the volunteer firemen,  
who have always been a benefit and pride  
of the town, are deserving of every citi-  
zen's patronage. The concert will be one  
worth hearing and will be something dif-  
ferent from those previously given.  
Palmer's orchestra will be assisted by the  
following out-of-town musicians: Wal-  
lace Stafford first violinist of Pittsfield;  
H. Murray, second violinist; a flat saxo-  
phone by Leon Fuller and R. Catey of  
Hoosick Falls, N. Y.; clarinet Fred  
Brown; and drums, etc., by M. J. Dar-  
ling. W. G. Ryan of Springfield will prompt.

### Mrs. Lucy Wright.

Mrs. Lucy Wright, aged 78 years, died  
at the home of her son, Fred, in Renfrew  
Wednesday morning of heart failure.  
She was born in Bennington, Vt., the  
daughter of Thomas and Fannie Parker  
and was the eldest of 15 children. She  
was married to Orrin Wright, who died  
in March, 1845, and the moved to this  
town about 16 years ago. Mrs. Parker  
was of a retiring though genial dispo-  
sition and always made a friend of an  
acquaintance. She was a member of the  
Baptist church. She leaves two sons,  
Fred, of this town and Edgar, of New  
Bedford. Also three grand children, Bos-  
sie and Hazel of this town and Harry of  
New Bedford. The funeral was held  
from the late home at 3 o'clock this after-  
noon, Rev. H. M. Boyce officiating. In-  
terment will take place Friday at Ben-  
nington, Vt.

### Rumors of Sunday Events.

It has been rumored in town that a  
cock-fight occurred in Cheshire last Sun-  
day afternoon between Adams and North  
Adams parties. The sports who attended  
are said to have gone to Cheshire on the  
2:10 o'clock train Sunday. The result as  
stated was 7 to 6 in favor of North Adams.  
The rumor does not stop here however  
for it is claimed a dog fight also took  
place in a barn on the East road to North  
Adams. Adams is said to have been vic-  
torious in the latter contest.

### Town Committee Organized.

The Democratic town committee met  
in the Greylock house parlors Wednesday  
evening and organized with James E.  
Cadogan, chairman; Henry R. Fidler,  
secretary; and Henry M. Fern, treasurer.  
The call for a caucus for the selection of  
candidates for town officers will be issued  
in a few days.

You will miss a treat if you do not hear  
this evening's concert at St. Mark's parish  
house. Admission 25 and 15 cents.

Dr. Desrochers is attending the wed-  
dings of a brother and two sisters at St.  
Jacques de Joliette, Canada, all of which  
occur this week.

Miss Jessie Elmer of Pittsfield is the  
guest of Miss Helen Barrett of Park street.  
The regular meeting of Odd Fellows  
was held Wednesday evening.

Therese Brodeur and J. B. Perry have  
been appointed a committee to prepare a  
roster for the St. John Baptist society.

At Tuesday evening's meeting of the  
Epworth league of Trinity Methodist  
church it was decided to hold a social at  
the church parlors next Wednesday even-  
ing.

An interesting pool game was wit-  
nessed at the Hoosac club Wednesday even-  
ing between Joseph Fern and E. B. Rich-  
mond. Both are good players and the  
result was 100 to 89 in Mr. Fern's favor.  
Some excellent shots were made by both  
players.

## WILLIAMSTOWN

It Was a Success--A Temperance Ser-  
mon--The President Surprised--  
Sewing in the Public Schools.

THE DAILY TRANSCRIPT WILL  
BE DELIVERED AT YOUR HOUSE  
FOR 15 CENTS A WEEK. ORDERS  
MAY BE LEFT WITH GEO. A. NICHOLS,  
SPRING ST., OR ALFRED &  
GRUNDY, COLE AVENUE.

Sewing in the Public Schools.

Very interesting exercises in honor of  
Washington's birthday were held in the  
Cole avenue school Tuesday afternoon  
under the direction of the principal, Miss  
Kellogg, and her assistants, Miss Welch,  
Miss Moore and Miss Varney. A program  
of singing, recitations and other exer-  
cises was rendered by the pupils and en-  
joyed by a good number of specta-  
tors. When the children had  
finished their part a few appropriate  
remarks were made by Superintendent  
Mitchell and then Dr. Lloyd of the school  
board introduced Miss Alice Carter, who  
spoke on the question of continuing sew-  
ing in the public schools. It was largely  
through the efforts of Miss Carter and a  
few co-workers, aided by voluntary con-  
tributions from citizens, that sewing was  
introduced into the school system two  
years ago and has been continued since.  
Miss Carter gave an outline of what has  
been accomplished in this direction and  
emphasized the necessity and value of  
this sort of instruction in connection  
with the usual branches.

Dr. Lloyd followed Miss Carter, heartily  
indorsing her views. He spoke of the  
good that had been done in the last two  
years and considered it just that such a  
work should be maintained by individual  
effort. He gave high praise to those who  
have given of their time and means in  
order that sewing might be taught in the  
public schools, and assured his hearers  
that the town would be asked to appro-  
priate \$300 for the purpose at the coming  
annual meeting.

### The President Surprised.

The Women's Relief corps gave a recep-  
tion in Grand Army hall Tuesday evening  
to its president, Mrs. Susan Parmenter,  
who had just returned from the eastern  
part of the state, where she had been  
visiting since the state encampment. The  
reception was a surprise to Mrs. Parmenter  
and was a very pleasant affair. Re-  
freshments were served.

### It Was a Success.

The "crazy" supper served at the Meth-  
odist church Tuesday evening by the  
King's Daughters was a successful and en-  
joyable affair. The supper was served in  
a style which would indicate that all  
hands were crazy and much amusement  
was the result. There was a good attend-  
ance and a comfortable sum was netted.

### A Temperance Sermon.

Rev. Edward Wilson will preach a tem-  
perance sermon at the Methodist church  
next Sunday evening, taking for his sub-  
ject, "Some reasons why we should con-  
tinue our no-liquor policy." It is prob-  
able that a number of union temperance  
meetings will be held by the churches  
before town meeting.

Locke Bros. will finish their plumbing  
contract at Waterford, N. Y., this week.  
"A Brozy Time" will be presented at  
the opera house March 5.

There was a pleasant surprise party at  
Elmer Brown's a few evenings ago.  
John Ennis has a seven-year-old peo-  
which is supposed to be about as fast as  
any horse in this section. He is a good  
sized and stylish animal and a very pleas-  
ant driver.

Neman Roberts is moving to South  
Williamstown.

Mr. J. A. Eldridge of Hancock is pre-  
paring to make her home in this village  
this spring.

Subscriptions are being solicited for the  
purpose of building a Baptist parsonage  
at Sweet's Corners. The sum needed is  
\$1,000, and nearly \$300 has already been  
pledged.

Albert Allen is suffering from erysipela  
in the foot.

James Hosmer, acting treasurer of the  
college, is sick and is under the care of  
Dr. Jones. Mr. Hosmer is threatened  
with pneumonia.

Fred T. Wood of Newton Center, and of  
the class of '98, has been chosen scorer of  
the college baseball team for this season  
and will be the manager of the team next  
year.

Postmaster Bushnell Danforth returned  
Wednesday from a vacation trip of two  
weeks to Richmond and Old Point Cum-  
ber, Va., and other points of interest in  
the South.

Mrs. Weltha S. Vender, who has cared  
for her sister, Ella A. B. Phelps, during  
her long illness of sciatic rheumatism,  
has returned to her home at Fall River.

Dr. White from the eastern part of the  
state has been a guest for several days  
at the home of Representative A. E. Hall.

Z. F. Beverly has sold his span of young  
horses to C. W. Gallup of North Adams  
for \$500. A man from Turners Falls was  
in town Tuesday to look at his pacer,  
which he values at \$1,000.

C. H. Mathey, who has been sick for a  
long time, is slowly improving.

There has been no better sleighing this  
winter than there is now, and it is being  
well improved.

Mr. and Mrs. Fred Goodell attended a  
reception given Saturday evening by Mr.  
and Mrs. William Baker of New Ashford.  
Wednesday was the monthly pay day at  
the town office.

A pleasing program of Washington's  
birthday exercises was rendered by Mrs.  
Brookman's school in the Danforth block  
Tuesday afternoon.

## READSBORO ITEMS.

Obituary.

Died in Barnard, Mass., February 4, 1897,  
Eli M. Brown, aged 47 years, 8 months,  
and 2 days. Deceased was born in Read-  
sboro, Vt., and came to Lincoln county,  
Kan., in March, 1887, and has lived in this  
county since then. He was married April  
12, 1882, to Miss Gertrude T. Wadsworth  
who survives him, but who now lies prostrate  
by this sudden bereavement. She has the  
sympathy of all in this great sorrow.

He was an earnest Christian worker in  
church and Sunday school and will be  
greatly missed in the community where  
he had lived so many years. He had an  
attack of grip which terminated in pneu-  
monia and death came suddenly. The  
services were conducted at the house and  
cemetery by Rev. B. F. McMillan, the  
singing being by the choir, and the selec-  
tions were those of the deceased loved.  
The funeral was largely attended, which  
gave evidence of his high esteem.  
Of his father's family there remains his  
mother and an only brother, Marcus W.  
Brown, living in North Adams, Mass.,  
Lincoln Co., Neb., Beacon.

### Bad Fire in Vernon.

A large barn on the farm of Nathaniel  
Brooks in Vernon was burned last Sunday  
afternoon. When the fire was discovered  
there were in the barn 28 head of cattle,  
four horses, two years' crops of tobacco,  
many farming tools and a quantity of  
grain. Mr. Brooks and his son started to  
rescue the animals, but the fire had  
gained such headway that it was possible  
to save only two horses. These were  
owned by Mr. Brooks, the others being  
transient. George Pond, employed by  
Livestock George E. White of Brattle-  
bury, drove to Vernon Sunday afternoon  
with one of Mr. White's best horses to  
visit his parents, who live near the Brooks  
farm, and put up his team at the barn.  
Only the sleigh was saved. Mr. White's  
loss is \$235, and is covered by insurance.  
Mr. Brooks' loss is \$300. There was an in-  
surance of \$235 on the barn and contents.  
The origin of the fire is uncertain, but it  
is thought to have been due to some one  
smoking near the hay.

William C. Pike was brought to this  
village Monday and examined in regard  
to his sanity. Mr. Pike has lived in town  
for many years and is well known, and  
his present condition is greatly to be  
regretted. Judge Carney and States At-  
torney Bates of Bennington were present  
and Dr. Page of Wilington and Ward of  
this town made the examination. Mr.  
Pike is possessed of the strange idea that  
some imaginary enemy is seeking to re-  
venge himself on him. So strong a hold  
has this idea upon him that he has  
chopped a hole into the side of his  
house on West hill to catch his sup-  
posed enemy. Aside from this  
one idea Mr. Pike seems to be  
entirely rational and has worked with  
his team drawing wood all winter. A  
short time ago his wife became afraid  
and came to the village where she has  
since remained. Besides Mrs. Pike there  
are nine children, one of whom is mar-  
ried. Mr. Pike was taken to the asylum  
at Waterbury Tuesday by Constable Niles  
and James Pike. That his complete re-  
covery may soon take place is the wish  
of all.

Town meeting next Tuesday; vote  
early and often.

J. L. Sawyer moved to North Adams  
where he has a job painting.

Frank Crozier has put in one of his  
telephones at the tannery and connected  
it with the local circuit.

### MONROE.

The undersigned hereby wish to return  
thanks to the friends and neighbors who  
have so kindly rendered assistance and  
shown their sympathy in so many ways  
to them since the accident of January  
26, and it is our wish and prayer that they  
may ever find as true friends in time of  
need and affliction.

### GUARD THE HEARING.

The Symptoms of Ear  
Troubles.

A Worcester Man's Escape  
From Deafness.

Deafness and Ear Trouble Result from  
Catarrh passing along the Eustachian  
Tube that leads from the Throat  
to the Ear.

Is your hearing failing?  
Are your ears dry and itchy?  
Do the ears itch and burn?  
Is there a throbbing in the ears?  
Have you a pain behind the ears?  
Is there a buzzing sound heard?  
Do you have ringing in the ears?  
Are there crackling sounds heard?  
Do you have caruncles occasionally?  
Are the sounds like steam escaping?  
Do you constantly hear noises in the ears?  
Is there roaring like a waterfall in the  
head?

When you blow your nose do the ears  
crack?  
Is your hearing worse when you have a  
cold?

Mr. J. M. Daniels, 125 Piedmont street,  
a well-known citizen of Worcester, says,  
"For over 30 years I have suffered with  
catarrh. I had had cases of catarrhal  
deafness--so severe that it caused me  
much annoyance. My throat and chest  
too were in a very bad condition. I pro-  
cured a bottle of California Catarrh Cure  
and it helped me at once. I have not been  
free from catarrhal trouble in 30 years,  
and my deafness has become perceptibly  
better. I heartily recommend it for cat-  
arrhal deafness, or any of its symptoms."

Sold by Burlington and Darby.  
A big bottle for 50 cents and one three  
times as large for one dollar.

may drink it without injury as well as the  
adult. All who try it, like it. GRAIN-O  
has that rich seal brown of Mocha or Java,  
but it is made from pure grains, and the  
most delicate stomach receives it without  
disturbance. One fourth the price of coffee,  
10c, and 25c, per package. Sold by all  
grocers.

## A Great Battle.

Do consumptives re-  
cover? Yes, thousands  
of them. Even after the  
disease has a firm hold?  
Yes, no doubt about it.  
After cavities have been  
formed and hemorrhages  
have occurred? Yes,  
even then. If the system  
is too weak, the disease  
will probably conquer,  
but if the body can be  
reinforced there is a fair  
chance for a winning  
fight. For twenty years,  
thousands have testified  
how they gained the  
victory.

of Cod-liver Oil with the  
Hypophosphites is still  
coming to the rescue.  
Out-door life, fresh air,  
and good pluck are of  
immense value. But in  
addition to these the body  
must be supplied with  
that peculiar kind of fat  
which is found only in  
cod-liver oil; combined  
with valuable medicinal  
agents; and there must  
be the tonic effect which  
comes from the hypo-  
phosphites. It is a great  
battle, and a great victory  
is often gained.
